### THE NEWPORT BEACH POLICE DEPARTMENT WEBSITE

The Newport Beach Police Department has a helpful website. In particular, their "Calls for Service" portion of their website is designed to keep the residents of Newport Beach continually informed about crimes, arrests, and other police related activities occurring in Newport Beach. **Calls for Service** are taken directly from the Police Communications Center and updated every 10 minutes, capturing the last seven days of our field activities. Keep in mind that a few crimes and activities must be screened due to investigative restrictions and victim privacy rights.

Generally speaking, the information supplied in **Calls for Service** contains all the information that is available for public release. To minimize any theft, remove phones, iPads, laptops or other valuable possessions from the car. Do not leave gift-wrapped packages, loose change or purses/wallets lying on the seat of your car. Have packages delivered to your office instead of your home. Please be alert! If you see any suspicious activity throughout the community, please contact the Newport Beach Police Department: 949-644-3681
